**Terms and Conditions of Booking:**

- A booking will not be taken by the band until a minimum £100 deposit is received. Where possible, the deposit must be received no later than 6-weeks before an event. **Cheques should be made payable to Keith McAree.** Please do not send cash in the post. Full payment must be made two weeks before the event if paying by cheque, otherwise the balance must be paid in cash on the night, before the band commence playing.
- A deposit cannot be refunded in the event of a cancellation unless a replacement booking is secured by the band for the cancelled date. Failure to cancel will result in the full fee being invoiced to the event organiser.
- Our usual start time is 9pm. If you would like the band to start earlier please make us aware of this at the time of booking. Maximum playing time for the live band is 2.5 hours.
- Please allow for one hour setup time once the formal proceedings have finished. We will do our best to start at the requested time, however the band cannot be held responsible for shortened playing time as a result of the meal or speeches running late.
